CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Ag Club Speaker Is Our County Agent

M. U. "Red" Mounts, Dean of Florida's County Agricultural Agents, was guest speaker of the USDA Club luncheon at its monthly meeting held May 11th at the Community Building at Canal Point. He spoke on the development and growth of Palm Beach County Agriculture Research and Extension work, particularly of the Glades Area.

Mr. Mounts has been with Palm Beach County for 34 years (30 of them as agent). He began work on Sept. 1, 1925 as the 1st, and at that time the only Assistant Palm Beach County Agent. "Each farm is bigger now than it was in 1925," he relates. "When I first hit the County, the average farm was 40 acres. In the 1955 census the average was 600 acres. Palm Beach County grows more winter green beans and sweet corn than any other County in the U. S." Mr. Mounts has received several awards including the USDA's superior service award, personally handed him (in 1959) by Secretary of Agriculture, E. T. Benson. He told of the origin of the Everglades Experimental Station. "In the early days, farmers were suspicious of the Experimental Station. One worker even said it took 15

Home Town Story Is Being Filmed

"The Pahokee Story Home Town U. S. A.", is being filmed in the Pahokee and Canal Point area, and will be shown in sound and color at the Prince Theatre. At a later date the management of the Gold-Dobrow Theatres will announce the exact play dates of this movie.

The Capi Producers of Boita Springs, Florida have been filming church scenes, sunrise services, golf course and all local civic clubs, schools, industries, newspapers, radio stations, and county and city offices.

Al Mayer, cameraman in charge, is widely known in New York and locally in Miami, where he has performed camera work in movies made there recently.

Carl Warner, who was associated with the late Mike Todd as technical director will occupy the same position in this production. It is one hour and ten minutes long.

Fifth Graders Enjoy Field Trip

The children of Mrs. Charlotte Walston's Fifth Grade at the Canal Point School enjoyed a field trip to Pahokee where they visited Mrs. Frank Friend, past president of the Pahokee Garden Club, and saw the many articles of handwork Mrs. Friend has made in her club work. Refreshments were served by Mrs. Friend, assisted by her daughters, Mrs. J. L. Tyson, Jr., Mrs. F. H. Poteete and Mrs. W. O. (Bill) Moss.

Mr. and Mrs. C. L. Shirley, Jr. had as guests Saturday Mr. and Mrs. Bob Hercheck of Miami.

Annual Dinner By FP&L Employees

Florida Power and Light Company held their annual dinner Dealers meeting Tuesday, May 10, 1960 at the Pahokee School Cafeteria in Pahokee. These annual meetings throughout the state give members of Florida Power and Light an opportunity to meet with all dealers and personnel connected with the building or wiring trade. These meetings also provide an opportunity for discussing new and better improvements for Modern Electrical Living. Approximately 62 dealers, electrical contractors, builders, and plumbers with their representatives were present.

Garden Club Holds Installing Meet

Mrs. Henry L. Pennock, of Jupiter, director of District 10, State Federation of Garden Clubs, served as installing officer at the annual joint installation luncheon of the Canal Point Garden Club, the Pahokee Garden Club and the Sunseekers' Garden Circle, an affiliate of the Pahokee Club, held Tuesday in the Community Building at Canal Point.

Members of the Canal Point Club, in charge of the decorations, used "spring hats" as the theme for the decorative scheme. Center of attraction was a "hat tree" from the branches of which were suspended miniature hats of varied color and design. On the tables were arrangements of spring flowers centered with flower-trimmed hats of tulle.

In the installation ceremony Mrs. Pennock likened the new officers to the varied parts of a stained glass window, which, together as a unit, contribute to the beauty of a community. She presented to the officers as gifts: ceramic paper weights which she had made of colored glass. Corsages were presented to the new officers and the installing officer by Mrs. Norman (continued on page 8)

East Lake School Gets 4 New Rooms

A contract for the construction of four additional classrooms at the East Lake School at a cost of \$46,650 had been awarded to Blanton and Ulwin, Pahokee contracting firm, low bidder, by the Palm Beach County Board of Public Instruction, according to T. W. Knight, board member. These new school rooms, which will be built as a second story on the four built last summer, will provide enough classroom space to convert the East Lake School into a complete 12-grade elementary, junior and senior high schools for Negro students of the Pahokee-Canal Point area, Mr. Knight said.

Mrs. Grady Chancellor and daughter, Mrs. C. R. Wetherington, son, attended the homecoming at the First Baptist Church in Loxahatchee Sunday. Mrs. Chancellor's son-in-law, the Rev. James L. Merrell, is pastor of the Loxahatchee church.

Make your dream house come true! It's easy —through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds. Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,317.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 3 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

Juniors Entertain The Senior Class

The Pahokee High School Junior Class very clearly made use of the Mardi Gras theme in decorating the gymnasium for the annual Junior-Senior Prom Friday night. The entrance to the gym was transformed into a gay Parisian street leading to sidewalk cafes with a fountain complete with a statue of cupid in the background, making an appropriate scene for snapshots.

Suzanne Chastain was crowned queen and Gerald Hayes, king of this year's prom.

Luncheon Honors Bride To Be

A bridal luncheon honoring Miss Phoebe Sterling was held in Lake Worth on May 12. The wedding is planned for June 5 when she will wed Robert Silvers of Lake Worth. Dance School In Its Presentation

The pupils of the Fern Frank School of Dance presented a dance fantasy, "Alice in Wonderland," in the high school auditorium Saturday night. The part of Alice was played by Debbie Parrish.
